

Road from Sea to Sky

(Nha Trang – Buon Ma Thuot – Dak Lak – Dalat Bao Loc – Mui Ne)

This program will let you experience the heart and soul of Vietnam away from the main tourist trail. We will start out in Nha Trang's city streets and gradually cruise through a landscape transforming from rice fields, to jungle and foot hills, to pine forests and the breathtaking beauty of rugged mountains. Along the way we will visit and interact with the local people and get an understanding of day to day life. We will stop at factories, plantations, national parks and other points of interest. Prepare for an adventure of a lifetime. This tour is very fluid and destinations or accommodations can vary due to weather, illness, or any other number of unforeseen circumstances, therefore the following is a general outline.

3 nights Riptide Homestay

1 Day cooking class and 1 day snorkel tour

Included will be pick up at the Cam Ranh Airport

Day 1 Nha Trang – Buon Ma Thuot

We will start again around 8:30 for a day of driving through some of the most beautiful scenery seen anywhere. Along the way we will visit mat weavers, learn how rice paper is made before stopping within the remains of what was South Vietnam's largest citadel. From there we continue into the countryside and stop at scenic locations to stretch our legs. On arrival in BMT, we will check into the hotel and relax a bit before heading for a good local restaurant. Overnight in BMT
