Road from Sea to Sky

(Nha Trang – Buon Ma Thuot – Dak Lak – Dalat – Nha Trang)

This program will let you experience the heart and soul of Vietnam away from the main tourist trail. We will start out in Nha Trang's city streets and gradually cruise through a landscape transforming from rice fields, to jungle and foot hills, to pine forests and the breathtaking beauty of rugged mountains. Along the way we will visit and interact with the local people and get an understanding of day to day life. We will stop at factories, plantations, national parks and other points of interest. Prepare for an adventure of a lifetime. This tour is very fluid and destinations or accommodations can vary due to weather, illness, or any other number of unforeseen circumstances, therefore the following is a general outline.

Day 1 Nha Trang – Buon Ma Thuot

We will set out on coastal hwy 1 for about 40 kms. We will stop at a fishing village and see shrimp and lobster farms . We then turn onto a road inland rising into the central highlands. We will cross rice fields and agricultural areas. Along the way we will pass through some local ethnic tribal villages still locked in old fashioned traditional lifestyles. (If we have time we will Visit the Dreysap waterfalls) Our day will end in Ho Lak Where you will have your own private bungalow. **B,L**

Day 2 Buon Ma Thuot – Lak Lake

Today we will explore more tribal villages and move along some less traveled roads stopping at a coffee, pepper, and cashew plantations. We will stop for a jungle trek and visit the Dreysap waterfalls before heading to Lak Lake where we will visit a M'Noung village and arrange Elephants for the next morning if desired. In the evening you can relax on the balcony of your own private bungalow overlooking the lake or enjoy a cold drink by the pool. **B,L Lak B,L**

Day 3 Lak Lake - Dalat

The morning we can stop for an optional Elephant ride at Ho Lak We will then drive through a changing landscape from foot hills into rugged mountains. We will visit a silk factory and other interesting spots along the way, but most of the day is about enjoying a changing landscape from Highlands to High pine forests and mountains.

Day 4 Dalat

We will remain in Dalat for another night and be your driver/guide to any place you might want to visit other than the places we have plan for you. We will take you do Dantanla and Elephant falls. Truc Lam pagoda, and the Crazy House. There are also other waterfalls and interesting locations such as the flower gardens you might want to visit. The day is yours and we will build the day according to your wishes. **B,L**

Day 5 Dalat - Nha Trang

Today we enjoy one of the most spectacular drives one can do in Vietnam. Our descent from the mountains will take us on a 35 km stretch of all down hill road from sometimes above the clouds for an ear popping experience. We will arrive in Nha Trang in the afternoon at my hotel where you can shower and relax before heading to Nha Trang Via Night Bus, Train, or Air. **B,L**
